There is something special about the ringing sound of cast bronze bells – whether it is an uplifting feeling in church, joy at a wedding or comfort at a funeral or memorial service. Marking the 140th year since our founding in 1876, Riverside Cemetery will be installing a carillon in memory of Beverly Stadler Harris and her family.

**What is a carillon?** A carillon is a musical instrument with cast bronze bells, which are played in a series to produce a melody or at the same time to play a chord.

**Who is Beverly Stadler Harris?** Installation of a carillon is made possible by a generous bequest to the Riverside Cemetery Foundation from Beverly Stadler Harris. Mrs. Harris was born Beverly Jane Stadler in Cleveland on July 13, 1924 to the late Beatrice Platt and A. Wilson Stadler. Her father was the noted founder of the A.W. Stadler Co. on W. 65th Street, which specialized in turf treatment products.

When Beverly was about two years old, her mother passed away and Anna Stadler, her paternal grandmother, stepped in to fill the critical maternal role and raised her to adulthood. Beverly was a graduate of Hathaway Brown School in Shaker Hts. She married the late Wesley W. Harris, an engineer, who was employed with the Alcoa Co. here before relocating to Illinois. They had no children. Beverly passed away on Jan. 14, 2015 at age 90 in Wheaton, IL.

Beverly was a member of the Wheaton Garden Club and Philanthropic Educational Organization. She was well known for her flower arranging skills, serving as a Master Flower Show Judge and having implemented many garden therapy programs.

The Stadler family is an important part of our long, historic legacy and Beverly was always proud of that heritage. The Family Lot is prominently located along the south roadway of Section 6, and is adorned with a magnificent white granite monument. As the last surviving member of her family, Beverly was laid to rest alongside her beloved Wesley, in March 2015, after a private committal service performed by Bill Halley.

During discussions with Mrs. Harris in her later years, we learned she donated a beautiful Verdin Carillon to her alma mater, Hathaway Brown. Therefore, as a fitting tribute to her, her beloved family and the 140th year anniversary of the Cemetery, we are honored to dedicate the **Stadler Memorial Carillon**.

The official dedication will be held **Monday, May 30, 2016** at our **Memorial Day Service**, which starts at 9:30 a.m.
The Riverside Cemetery Association is proud to celebrate its 140th Anniversary this year! You are cordially invited to help us celebrate. All events are free and open to the public.

**Sunday, March 27th**  
**Easter Sunrise Service**

**Cookie’s Corner: Providing Comfort & Support**

The poem, “Death Be Not Sad” hangs in our main office, where many visitors have come and found comfort. When you are sad, lonely or reflecting about your loved ones who have since passed on, I hope this helps you find meaning in your own special way.

**Death Be Not Sad**

Forget me now and do not cry,  
Think of me later, memories never die.

Think of me full of life and free,  
Think of me living and loving,  
Think of me in the wind, the field, and the trees.  
Think of how I lived, remember nothing of death.

Do not weep over my gravestone,  
Or grieve at my casket,  
That lifeless corpse is not I,  
I am gone, I am free.

The body was only a temporary residence,  
It grew obsolete and I yearned to escape,  
So I bid my farewells and soared high,  
Soared to the heights of creation, into everlasting eternity.

Do not bring flowers that I cannot see or smell,  
Do not gather here on my behalf,  
If I could only tell you, there is more to life than death,  
Death is only a means of conveyance, between worlds.

ANNUAL BREWERS & NOTABLES TOUR

Join us **Saturday, June 4, 2016** at **8:30 am** for this popular tour as we visit the eternal resting places and highlight the lives and histories of several local families who made their living in the beer brewing industry in Ohio City during the late 1800–early 1900 era, as well as a number of industrialists, land developers, building designers, local government officials, musicians, playwrights and business persons. Their life stories focus heavily on the history and development of Cleveland, west of the Cuyahoga River.

Your tour guides will be Doug Kusak from the Metroparks Outdoor Historical Education Division and Bill Halley, former General Manager of Riverside Cemetery. Doug and Bill join forces to take you on an interesting journey among the beautiful landscape, monuments, and headstones of our 140 year-old Cemetery which tell the storied history of our community’s fascinating legacy.

We will begin the tour with a background orientation in the Nationally Registered 1876 Victorian Stone Chapel at 8:30 a.m. Signs will direct you to the Chapel. There is no charge for this event, but if you plan to attend, an advanced reservation email to riverside.cemetery@att.net or call to the office at 216-351-4800 would help our preparation.
